

New Sunbrella® Horizon engineered synthetic leather brings unparalleled style, comfort and performance to the water.

RESISTS MICROBIAL PINKING

Sunbrella Horizon's proprietary top coat ensures exceptional bacterial stain-resistant performance and protection against pink stains, featuring the only 3-year warranty against microbial pinking in the marine industry.

PROVEN DURABILITY

Engineered to be long-lasting with unwavering strength, Sunbrella Horizon exceeds industry standards for durability without feeling heavy or stiff.

4-WAY STRETCH & RECOVERY

Knit-backed construction allows for easy fabrication and provides excellent 4-way stretch to prevent misshaping and maintain long-term comfort and performance.

ULTRA-SOFT HAND

Sunbrella Horizon's durability is matched only by its incredible softness and comfort, making it an industry best.

COLOR AND DESIGN VARIETY

Sunbrella Horizon comes in 30 different styles, 23 color options and 2 embossing patterns with a smooth, matte finish—seamlessly matching the color system used in Sunbrella woven marine fabrics to easily coordinate every interior and exterior boat application.

RESISTS COLD-CRACKING

In temperatures as low as -20°F, Sunbrella Horizon wards off brittleness.

MOLD AND MILDEW RESISTANT

Sunbrella Horizon has remarkable resistance to mold and mildew due to its proprietary top coat.

UV / FADE RESISTANT

Sunbrella Horizon is manufactured with highly UV-stable pigments, making them resistant to fading and the degrading effects of sunlight.

BLEACH CLEANABLE

Sunbrella Horizon is safe to clean and disinfect using a bleach solution without the worry of damaging its look, feel or durability.

EASY TO CLEAN

Sunbrella Horizon's unique finish stops messes at the surface, making it easy to wipe clean.
